

Journaling Prompts for Healing

Questions to help process thoughts and emotions.

1. What feels heaviest today, and why?
2. Where did I notice even a small sign of grace this week?
3. What story am I telling myself right now, and is it fully true?
4. What boundaries would protect my peace this month?
5. What do I need to grieve honestly before God?
6. What would wise support look like for my next step?
7. Which Scripture gives me hope today?

Weekly reflection:

- One thing I can release
- One thing I can receive
- One step I can take
